

## Our Auction

That's how it's done:

### 1. Register:

Go to [www.cs.at/charityauction](http://www.cs.at/charityauction) and register there; please register up to 24 hours before the start of the auction. Tell us the numbers of the works for which you want to bid. Alternatively, send us the buying order on page 128.

### 2. Bidding:

**Bidding live by phone:** We will call you shortly before your lots are called up in the auction. You can bid live and directly as if you were there.

**Live via WhatsApp:** When registering, mark with a cross that you want to use this option and enter your mobile number. You're in. We'll get in touch with you just before the auction.

**Written bid:** Simply enter your maximum bid in the form for the works of art that you want to increase. This means that you can already bid up to this amount, but of course you can also get the bid for a lower value. Just fill out the form.
